- Heat water to 75°C, add slowly Kelco-Care™ Diutan Gum under rapid mixing and let the gel swells for 5 min.
- Prepare B1 and heat at 55°C. Add B2 to B1.
- Add B (50°C) to A (50°C) under rapid mixing (2500 rpm). Mix for 5 min.
- Add C under mixing. Mix for 1 min.
- Cool to 35°C and add D and E under mixing.
- Cool to 25°C under mixing.

Anti-spot Body Spray

2587-1.07

+ Body imperfections

+ Sprayable texture

+ Purifying

Description

Some body areas such as the décolleté, back or shoulders can also suffer from imperfections. This ultra-fluid bi-gel obtained with Emulfree® CBG MB has been specially designed to purify these areas without leaving a sticky or greasy film, so that it is possible to get dressed directly after application.

Specifications

+ Aspect:
Fluid white emulsion

+ pH = 5.4 ± 0.5

+ Viscosity Brookfield RV (spindle A, speed 5):
approx. 2 500 mPa.s after 24h

Ingredients

- Kelco-Care™ Diutan Gum is a gelling agent that is resistant to alcohol.
- **Emulfree® CBG MB** is a ingredient that stabilizes the formulation by creating a bi-gel, providing a fresh and light sensation on the skin.
- **MOD MB** and Cetiol® Ultimate are emollients that bring comfort and spreadability whitout leaving a greasy afterfeel.
- **Lipocire™ A SG** is a texturizing agent that brings a melting sensation and comfort during application.
- Propanediol is a glycol that has moisturizing properties. It is lighter than glycerin.
- **Original Extract™ Lemon Bio** is a fruit water that helps to purify the skin.
- Alcohol is used for its purifying properties.
- **Cytobiol™ Iris A²** is a synergistic blend of iris root extract, vitamin A and zinc that has been clinically shown to minimize pores and reduce skin imperfections.
